

Arizona Technology Council

The Arizona Technology Council fosters a climate of innovation to enhance technology in Arizona. A trusted resource in strengthening Arizona's technology industry, the Council proactively eliminates impediments that companies face, accelerates the entrepreneurial mindset in the state's expanding innovation ecosystem, and works to create a destination for companies to be, thrive and stay.

TOP SERVICES PROVIDED: public policy and advocacy, business and tech leadership, building a tech ecosystem, signature tech events and networking, STEM education programs

Member Basic Price to join: \$380

Due to COVID-19, we want our business community to know: Despite the impact of COVID-19, the Arizona Technology Council continues to work tirelessly to foster innovation; support the development, growth and advancement of science- and tech-driven companies in Arizona; advocate for tech companies and tech-friendly regulations at the Legislature; as well as provide opportunities, member discounts and health insurance plans specifically for small businesses and startup companies.
