

Enterprise Bank & Trust's Enterprise University

Enterprise University courses are taught by experts and practicing professionals in their respective fields. Instructors will challenge and energize you with information and skills you can put to work immediately. These workshops cover best practices and trending topics in finance, management and leadership, sales and marketing, human resources and information technologies.

TOP SERVICES PROVIDED: networking, business education, practical application, career advancement

Member Basic Price to join: No cost to attend

Due to COVID-19, we want our business community to know: This semester, to help minimize exposure to COVID-19, we've taken our courses online to a webinar format. It's a chance for us — and you — to utilize webinar technology and still deliver great content from an outstanding slate of presenters.
