

Local First Arizona

Local First Arizona is a coalition of more than 3,000 locally owned businesses working to build a more diverse and resilient Arizona economy.

TOP SERVICES PROVIDED: business education and resources, advocacy, networking, personalized consulting, marketing opportunities

Due to COVID-19, we want our business community to know: We are working day in and day out to provide critical resources to Arizona's small-business community — to navigate uncertain times — and we are committed to ensuring every single one of them is here tomorrow.
